---

Please note:

1. Critical Connections: Multilingual Digital Storytelling Project – Handbook for Teachers. This handbook, which has been developed with the support of teachers in the project, is available on the project website. It is currently being updated and the new version will be available later this term.
   http://goldsmithsmdst.wordpress.com/

2. A book based on the Critical Connections project entitled 'Multilingual digital storytelling: engaging creatively and critically with literacy' will be published by Routledge in 2015. The book is edited by Jim Anderson and Vicky Macleroy with contributions from Anna Carlile, Yu-Chiao Chung and John Jessel.
