Animal's Hero

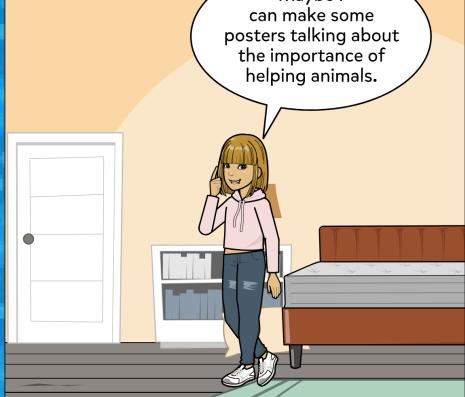

One day, Isabelly was telling her mother she liked super heroes but didn't know how to be one.

Maybe I can make some the importance of helping animals.

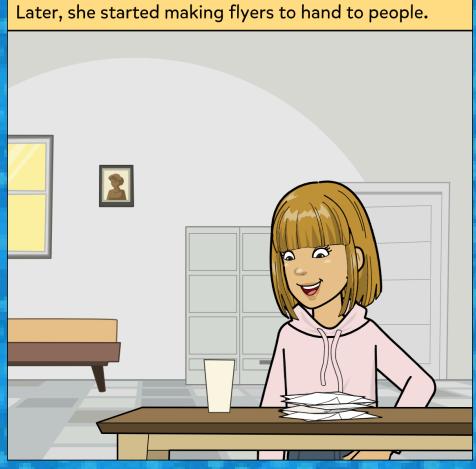

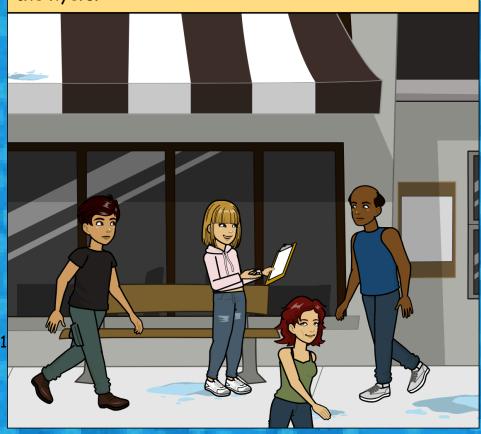

Isabelly stood there for a long time, but no one was listening to her.

That is great Isabelly, I'm very proud of you! Now get ready for dinner. Mom, I really think I helped this time! A lot of people showed interest in my

10 days later.

Now, this is Joseph, he's one of the rescuers. Joseph, people all over town are helping animals in dangerous situations, what made you dive into this project?

Isabelly felt so happy she could help the way she could, that she started making more flyers to talk with more people.

The end.
