Where Care
Begins

CHUNG GANG SENIOR HIGH SCHOOL, TAIWAN
CLASS 210 | TEACHER: HSIN-YU KAO

One pad. One message.
One hope.

ABOUT FILM PLATINUM AWARD

This short film documents our bilingual project on period poverty, guided by Teacher Hsin-Yu and carried out by 8th-grade students.

Through empathy, teamwork, and sewing, we made reusable sanitary pads and sent them to girls in Africa.

Turning our learning into global care, we hope our small hands can make a big difference.

Where care begins,
a home is found.
